5. The Youngstown Meltdown has gone from a 16 week competition to a 12 week competition.

6. The Youngstown Meltdown will no longer have Saturday weigh-ins at the Youngstown YMCA.

7. For the Youngstown Meltdown Event you will weigh-in 1st weigh-in at the Youngstown YMCA, but the last weigh-in does not have to be at the Youngstown YMCA like in the past. The last and final weigh-in can be at any location.

8. All four of the Swimming Events were taken out and replaced with a Scavenger Hunt Event.

11. **The Maps for the Time Prediction Walk and the 10K Relay will stay the same for now. Mill Creek Park does reserve the right to change them due to any construction that may occur last minute. Notifications will be made if any changes do occur.
At the YMCA of Youngstown we believe that competition, when kept in perspective, is a healthy part of the Community Cup program. Our goals for the program are to promote health and fitness in the workplace, to boost employee pride and dedication, and to promote community spirit. Your commitment to following the guidelines set forth will enable us to achieve these goals and to create an atmosphere of fun and excitement that will be remembered for years to come.

**Eligibility**

1. Team members must be at least 18 years of age to enter.

2. Team members must be employed and receiving a paycheck from the sponsoring company, corporation, school system, organization or agency at the time of participation. Eligible employees include part-time employees, interns and graduate assistants. If an employee is laid off, they may still participate in the Cup with that company provided that they are not hired by another company that is a participating team. Doctors or those who practice/work at more than one facility may participate for only one organization. These physicians must also receive a paycheck from that organization. Active, dues paying members of Service Clubs (such as Rotary, Kiwanis, etc.) may compete as a service club team. However, if their place of employment participates with a team, they must compete with the company with which they are employed.

3. Employees must receive a paycheck to be considered eligible unless competing under a service club team entry. Interns are permitted to participate regardless if they are paid or not. No other form of compensation is acceptable.

4. New, seasonal, and temporary employees must have a start date no later than July 1, 2019.

5. Temporary or contracted employees who work within the confines of another company are eligible only if:
   
   A. Their employment goes beyond September 7, 2019.
   
   B. They meet all other eligibility requirements as outlined in this section.
   
   C. The temporary service or contracted employer does not have a team of their own in the Community Cup.

6. Team members must be employed within the service area of the Youngstown YMCA. The YMCA service area includes Mahoning, Columbiana, Lawrence, Mercer, and Trumbull counties. This rule does not apply to companies with less than 50 employees.

7. Team members must complete and sign a Community Cup Participant Waiver prior to participation in any YMCA sponsored event.

8. Individuals employed by a company or organization, who may not have enough employees to field a team, may enter the competition provided they enter as representatives of their professional group (e.g., Mahoning County Bar Assoc.) Small businesses may join with other like businesses to field a team.

9. All companies are permitted to utilize spouses for the events. The person must be a legal spouse of an employee. Boyfriends, girlfriends, or “common law” spouses are not eligible. Other family members are ineligible. If a spouse is employed by another company participating in the Community Cup, the spouse may chose which team they will compete with. The spouse must compete for that company for all of the events. Every effort should be made to use employees before spouses.

10. The Executive Committee reserves the right to review all team entries related to eligibility.
Team Composition

1. There is no limit to the number of individuals who may comprise a team. More than one team may be entered from a company to maximize participation.
2. There is no limit to the number of events in which an individual may participate.
3. A company entering more than one Full Team should identify each with an “A”, “B”, “C”, etc. designation.
4. No team member may participate for more than one team. If the roster lists them on team “A”, they may not participate on team “B” as well. It is permissible for a team member to participate on the Full Team as well as on a Single Event Team. (See Single Event Teams)
5. Each team will have a team captain who will be responsible for all organization and communication necessary prior to, and during the competition.
6. A company entering one Full Team may only enter one group of participants in each event; unless they choose to enter Single Event Teams at additional cost. (See next paragraph.) For example, if Big City Bank pays to enter a Full Team, they may only enter one group of 4 team members on the bowling team, have one volleyball team, etc. Companies paying for more than one Full Team may enter the corresponding number of individual events. It is not necessary to enter all events. The entry fee covers five or all 14 events. In order to be considered a Full Team you must fill five or more different events. Full Teams are entered at $600.00

Single Event Teams

Each organization is eligible to enter Single Event Teams over and above the entered Full Team. Single Event Teams are entered at an additional $100 per event. This will allow companies who have an over abundance of basketball players or golfers, for instance, to maximize participation without having to pay for an additional full team. The golf and bowling events can hold a limited number of teams. Single event golf and bowling teams will be accepted on a first come, first served basis until the event is full. Full Teams will have first priority.

Single Event Teams will not receive points toward the Cup, but are eligible to place for awards in any event in which they compete.

A company entering Single Event Teams in an event should designate their Full Team entries with an “A”, “B”, etc. then the remaining Single Event Teams following as “C”, “D”, “E” etc.

Partial Teams

It is not necessary to enter a Full Team in order to compete. A company may enter up to four events at $100 for each event plus a $50 registration fee and be considered a Partial Team. Multiple entries in any event are permitted. Partial Teams will not receive points toward the Cup, but are eligible to place for awards in any event.

Divisions

Divisions will be determined on ability and based on performance over the previous year where possible. Three divisions will be established as follows: Red, consisting of teams placing in the top third of the overall standings; White, consisting of teams placing in the middle third of the overall standings and returning teams which did not participate the previous year; Blue, which consists of teams placing in the bottom third of the overall standings and new teams. The Executive Committee reserves the right to modify a team’s position if necessary for overall balance of the divisions. Any team may opt to move up a division if they wish a greater challenge. The division breakdown will change yearly as the scores are re-evaluated.
Protests
1. Protests affecting the eligibility of any team member must be made to a Rules Committee member after the infraction is observed. The Rules Committee reserves the right, at any time, to investigate any individual suspected of violating eligibility requirements.
2. Any protest arising from the competition itself, such as a rule violation, shall be made by the team captain or one representative of the team to a Rules Committee member. The protest must be made within 15 minutes of the alleged infraction and before the next event begins. Videos will not be accepted as “proof”.
3. Protests regarding preliminary results must be made by the team captain or a team representative within 1 hour after those results have been posted.

The Community Cup Rules Committee reserves the right to review all protests. Any decision reached by the committee or the officials in charge of the event will be final.

Rule Violations
Teams with members found in violation of eligibility or event rules will be disqualified from the event in which the infraction was noted and no points will be awarded. Teams finishing behind the disqualified group will be moved up in the standings accordingly.

Roster
Roster additions can be made until July 31, 2019 (waiver deadline). Team members on that roster may participate in any event they wish. Anyone found participating in an event who is not on the official roster will disqualify the entire team from the event.

Scoring
Scoring for each event will be as follows:
The maximum number of teams in each division will be divided by two. This number will be the score given to the first place team in an event. All other places will be determined by subtracting 1/2 of a point for each place. For example, if a division has 10 teams, first place finishers would receive 5 points, second place would receive 4 1/2 points, third place, 4 points, etc. Some events have slight variations to this system. These are described in the event rules. Single event teams will compete only for awards. No points will go toward the Cup or overall standings for teams not paying for a Full Team.

Volunteers
Each company has the opportunity to provide volunteers from their company to help out at most events. These volunteers will be eligible to receive credit for points for their team if they meet the following criteria:
1. Volunteers must meet the eligibility requirements as outlined under “Eligibility”.
2. Volunteers must have a signed waiver on file. Any team member who has signed a waiver may act as a volunteer. Volunteers will not have to be listed on a volunteer roster to be eligible to volunteer.
3. An individual may not volunteer for an event in which they are participating.
4. Volunteers must be present for the duration of the event unless dismissed by the Event Coordinator or Cup Director. Each volunteer must check in no later than one half hour before the event is scheduled to begin to receive point credit. Check in will be available one hour prior to the start of the event. Choice jobs will be given to those who check-in first.
5. Volunteers may only volunteer for one team if a company has two or more teams participating. For example, they are not permitted to volunteer for “Team A” in one event and “Team B” in another.

Points will be determined in the same manner as they are awarded for the Cup events. This method is described above in the Scoring description, with first place volunteer points going to the company that provides the most volunteers throughout the Cup. The number of volunteers needed varies per event. See the official volunteer roster for number needed.
Retirees
It is permissible to utilize retirees on your team provided they are receiving, or are eligible to receive a pension from the company. Retirees are not eligible if they are currently working for another organization which has a team in the Cup.

Time Predictions
No changes are permitted to the time predictions after August 14, 2019. Should the make-up of the team change after this date, the new team member must assume the predicted time.

Behavior
Inappropriate language, gestures, or actions toward officials, YMCA staff or volunteers, event coordinators, opposing team members or the Community Cup Director will not be tolerated. Individuals or teams guilty of this type of behavior may be disqualified at the discretion of the Community Cup Director, Rules Committee and/or referee. The Rules Committee reserves the right to make decisions based on the purposes and goals of the Community Cup in instances not specifically addressed here.
The purpose of the Banner Competition is to create a banner that identifies and leads your team(s) throughout the competition. It should be carried proudly at all the events.

**Team Composition**
Five individuals may participate in making the banner. The composition of males and females does not matter. In keeping with the intent of the Cup, team members should be employees of the organization. Designers should be listed on the team roster.

**Event Rules**
1. Teams will be allotted one hour to complete the banner. The event will take place on Friday, August 9, 2019. Any team who does not create a banner will not be considered for participation points.
2. Banners are to be made using a solid color bed sheet no larger than twin size. The sheet must be intact at the start of the competition and if cut, be done within the one hour limit.
3. There are no stipulations on the types of materials used to create the banners. Materials and techniques are limited only by your imagination. Each company must provide their own supplies.
4. Stencils, with the following limitations, will be allowed: (1) only individual letters may be used (2) only one company logo piece may be used (3) only one Community Cup logo may be used.
5. Banners may be pre-treated to prevent markers from spreading.
6. Pieces may be pre cut prior to the competition, but are not allowed to be put together and brought to the competition. All assembly must be done on site. Failure to do so will eliminate your team from the banner competition.
7. A piece of plastic upon which to place the sheet for designing will be provided by the Cup.
8. Sketching the design on the sheet prior to the competition is not permitted. The sheet must be completely blank upon starting. A small paper sketch from which to work will be permitted.
9. A signal will indicate the start and finish of the competition. Upon the finish signal, all competitors must stand. No other work may be done on the banner after time is up.
10. Judging will take place immediately after the competition is completed. Three qualified artists/designers will be the judges. Judging is based on the criteria listed below.

**Scoring**
Teams will begin with the maximum number of points available. For each of the following objective criteria not met, 1/2 point will be deducted:

A. Display/integration of the words "2019 Community Cup" and display/integration of the 2019 theme – “30 Years of Fun, Sweat and Cheers!”.  
B. Display/integration of the company logo, name, or slogan.  
C. Artwork must portray a theme related to health and fitness. (This will be at the discretion of the judges. Make sure it is apparent.)

In addition to these criteria, three judges will be looking for two additional areas that will determine first, second, and third places. These areas are:

D. Creativity in design and originality. 

E. Visual appeal; its attractiveness and "eye-catching" characteristics.
First, second, and third place awards will be given in this event. However, the number of points awarded will be the same for each team assuming they have met the objective criteria and have submitted their banner on time. Any banner receiving a 1/2 point deduction or greater will not be eligible for first, second, or third place awards. By not entering a banner, a team forfeits all participation points.

If judges are split in the decision on whether a banner has met certain criteria, the banner will receive the benefit of the doubt. However, if no judge sees required criteria, then the banner will be deducted 1/2 point.

**Community Choice Award**
The Community Choice Award is an extra award for the banner competition. No points toward the Cup are earned by winning this award. While the banners are displayed, community members can vote on their favorite banner. The banner with the most votes wins. Voting will begin on the same day that the banners are created, Friday, August 9. Pictures of the banners will also be placed on the Cup’s website, www.ymcaio.org, and voters can email their votes to the Cup office at cup@youngstownymca.org. The winner will be announced at the Awards Ceremony in Mill Creek Park on Saturday, September 7.
VOLLEYBALL TOURNAMENT

Description
A double elimination tournament, semi-finals and finals will take place on August 25. A blind draw will determine which teams play each other in the first round. A winner and losers bracket will then determine the rest of the rounds. Teams will play against other teams in their respective divisions.

Team Composition
Teams will consist of 6 players, 3 men and 3 women. If a team arrives with five players, a “ghost” will be placed in the vacant position.

Event Rules
1. All matches will be the best of three games. Two games to 25 points, and one game to 15 points, all rally scoring (i.e. a point is scored on every dead ball regardless of who served). A team must win by two points. There is no cap.

2. In the finals, the winner of the winner’s bracket will play the winner of the loser’s bracket. The match will be the best of the three games. The game is to 25 points, win by 2 points no cap. The third game, if needed, is to 15 points, win by 2 no cap. If the team from the loser’s bracket wins, then one game will be played to 25 points, win by 2, no cap.

3. A team arriving more than 10 minutes past the scheduled (YMCA) time will forfeit the first game. A team arriving later than 15 minutes will forfeit the match.

4. A two minute time out will apply between games. Two 30 second time outs per game are permitted.

5. Held balls, net violations, foot faults, etc. will be called. Clinics will be set up to teach participants what will be considered a fault. Attendance at the clinics is advisable. The referee’s decision will be final.

6. The ball must be touched by a female at least once before being returned over the net unless it is returned by a single hit. In co-ed play, teams must alternate their line up male female, etc.

7. A served ball may be received with an overhead set as long as the ball does not come to rest.

8. Unsportsman-like conduct may result in a penalty or disqualification. This includes foul language, shouting or gestures toward officials, opponents, or spectators, and shouting or stamping feet while opponents are making a play on the ball.

9. A ball contacting the ceiling is considered “in play” as long as the ball remains on the same side and is not the third hit.

10. A ball contacting a basketball hoop or backboard after being contacted by the receiving team shall be replayed as long as the direction of the ball was toward the net or, in the referee’s judgment, there was someone in position to make a play on the ball.

11. When the “ghost” position comes up to serve, a side out (and point) is awarded to the opposing team. The ghost position must be played as if there was a player occupying that position. If both teams have five players, a “ghost” position is not necessary. In any case, there must be minimum of five players (at least two women) on the court at any time.

12. A ball contacting the net on the serve and falling onto the opponents side is considered legal.

13. USA volleyball rules will apply in instances not addressed here.

Rotation and/or Substitution
You may elect to use rotation or substitution to change players on the court. Regardless which method you choose, it must remain the same throughout the game. A team may switch methods at the start of a new game.
**Rotation Rules**
If a team elects to use rotation as a means of putting new players in the game, players may rotate in at the serving position, left front or both. The order must remain the same throughout the entire game. The correct number of men and women on the court must be maintained.

**Substitution Rules**
If a team elects to substitute, they are permitted unlimited substitutions. Once a substitution is made, however, that person may only replace the original player each time. Substitutions may only occur on a dead ball, and may be made by indicating to the official.
DESCRIPTION
A team consists of 6 players (three men and three women) who each have one minute to shoot from ten points on the court. The team scoring the most points within the allotted time period is the winner.

EVENT RULES
1. There are 12 areas of the court from which to shoot. Ten of these areas are limited by a 3’ x 3’ box. The twelfth area is an infinite point anywhere behind the three-point line. (See diagram) Points are awarded depending on the location from which the shot is made.
2. Both feet must be behind (not touching) the line as the ball is released. It is permissible to step on or over the line after the release.
3. A shot may be taken from any one area as often as desired. However, once two consecutive baskets are made from one spot, the player must shoot from a different area before returning to the previous one.
4. A 50 point bonus will be awarded to any player who makes a basket from ten of the twelve areas of the court within the one minute time limit. Anyone making two baskets from each position will receive an additional 50 bonus points.
5. Each shooter may use one rebounder who must be a member of the team. The rebounder does not have to be the same sex as the shooter. Every player on the team must be a rebounder at some point while the team is shooting. The shooter may also rebound the ball. No one other than the shooter or designated rebounder may retrieve the ball. The rebounder must be a shooter on the six person team. If a team is short players and there is not a female or male to rebound, then the shooter must rebound themselves.
6. You are permitted only one ball. However, a women’s size basketball will be available for the women to use, if desired. Teams may not use their own ball.
7. The clock will be continuous. Shots in the air at the buzzer will count. If there is an injury or the ball gets stuck between the rim and backboard, play will resume at the start of the next minute. The affected player will have the opportunity to shoot when the round is completed. An injured player may only be replaced with an official team member listed on the roster.

AGE REQUIREMENTS
There are no age requirements for this event.
5 points for any basket made behind the three point line

Scoring
Scoring will be based on the combined score of each of the nine holes. The lower the score, the better the placement. Six holes will be pre-selected as Bonus Holes and proximity markers will be used for each division.
