

DAVIS FAMILY YMCA

ACKNOWLEDGEMENT

I acknowledge that I have read the Camp Parent Handbook and I am fully aware of the following:

- Program Philosophy
• Registration process, Fees, Refunds, Late Charges, and Withdrawals
• Camp Program Operations
• Discipline Policy
• Safety, Health, and Supervision
• Swimming and Water Safety
• Child Abuse or Neglect
• Sexual Offender Notification
• Arrivals and Departures
• Medical Emergency Policy
• Management of Communicable Disease
• What Children should and should not bring from home
• Camp Program Schedule
• COVID-19 Day Camp Action Plan

I have read and understand the fee arrangements and conditions detailed in the Parent Handbook. I agree to these conditions and will abide by them.

This acknowledgement must be placed in our files. Please sign the form and return along with your enrollment forms to the YMCA registration Site.

DAY CAMP ONLY

CAMPER BEHAVIOR EXPECTATION FORM

Camp activities, including camp transportation, often are as good as the behavior, interest and attitude of the participants. These ingredients set the mood for the entire summer. An ill-behaved camper will find difficulty, which could result in a negative experience or injury for others in camp. Courtesy and politeness are always appreciated. The purpose of our camp is to develop new friendships, knowledge, skills, and promote an enjoyable summer. This can be achieved only when the rights and welfare of all are considered.

All campers are subject to the rules listed below. Our staff is instructed to maintain these rules. Please read them carefully.

- Campers are subject to the authority of all the YMCA Staff at all times.
- It is a state law that everyone riding a bus must remain seated.
- Campers must keep their hands to themselves while on the bus and at camp. When riding a bus, no body parts or objects are to be sticking out of windows. It is inappropriate to make obscene gestures out of the bus windows.
- Campers will be responsible for keeping their bus clean from garbage. Garbage is to be put in the trashcan and not thrown out the windows.
- Campers should keep noise level to a minimum. It is a State Law that when crossing railroad tracks it is silent on the bus.
- Campers should be on time for scheduled activities. Tardiness results in everyone being inconvenienced.
- Campers are expected to care for their personal belongings. We strongly encourage all jewelry and electronics to be left at home. Use good judgment when packing for a trip. The camp will not be responsible for lost items.
- Campers are expected to show consideration and respect for their fellow campers, counselors, bus drivers, and other YMCA staff. Fighting and disrespect will not be tolerated.
- Campers must respect the YMCA property, facilities, and equipment. Any damages or theft of supplies will be paid for by the camper or their parent/guardian.

Personal Property

Campers may not bring alcohol, drugs, personal sports equipment, vehicles, animals or weapons of any kind. Bringing these will result in immediate dismissal.

Any camper who commits a serious discipline situation or continues to disregard any of the above rules will be subject to the following consequences.

The course of action may be accelerated for very serious offenses. All offenses will be documented.

- **1st Offense:** A verbal warning.
- **2nd Offense:** A phone call to parent/guardian
- **3rd Offense:** A one-day to one-week suspension from camp
- **4th Offense** (if in regard to transportation): Camper will no longer be allowed to use bus transportation.
- **5th Offense** if in regard to behavior at camp): Possible Dismissal from Camp.

The YMCA reserves the right to dismiss any camper who repeatedly disregards Camp Rules, or endangers the safety of the students or others. Severity of offense will be dealt with at discretion of camp Director.

After reading these rules, I understand the importance of good behavior as it relates to a successful summer.

YMCA of Youngstown Day Camp

COVID-19 Plan of Action

What's new about In Person Day Camp?

- Due to the restriction placed on us by the CDC we will have a maximum capacity of 72 children per day at our camp.
- The staff to child ratio will be 1:9, with 8 groups in rotation at all times.
- There will be no intermingling between groups, so children will be spending their entirety of their day with the same kids each day, and same staff taking care of them.
- Groups will be restricted to their designated areas and will only be able to use other spaces during their scheduled times, and after a rigorous cleaning routine has been completed.
- To enforce the 72-participant capacity, we will no longer be able to offer daily registration this summer. We will only offer weekly registrations (5 day a week sign ups) with no refunds due to missing singular days.
- Unfortunately, we will not be going on field trips this summer. We will, however, be taking as many virtual field trips as we possibly can!
- The outdoor swimming pool will not be open when our summer begins, so for now... we will not be swimming. We are hoping that we will have access to our pool by July, however we more than likely will be swimming in shifts (swimming once or twice a week), but we will climb that mountain when we get there.
- There will be no transportation from Central to the Davis facility. Any participant wishing to enroll in Day Camp will have to be dropped off and picked up at the Davis location.
- All staff will be required to wear face masks at all times throughout the day, except:
 1. Person has trouble breathing
 2. Person is unconscious
 3. Person is incapacitated
 4. Unable to remove the mask without assistance
 5. Pose a choking hazard
 6. During increased face touching
 7. While eating (from a safe distance)
 8. Or if it is unsafe to do so (during extreme physical activity)

Registration

- Highly suggest registration to be done online at ymcayo.org. Registrations can also be done at the Service desk no later than 8pm Friday before each week you plan on enrolling your child(ren). Please exhibit social distancing while conducting these transactions at the front desk.
- Day Camp Registration fee will only be completed with turned in required paperwork. You will not be able to move forward with registering for weeks of camp until all paperwork and Day Camp Registration fee is paid in full. If you pay the Registration Fee online, please email Nicole Murray your child(ren) paperwork immediately or risk having child removed from program.
- Weekly registration must be done by the Friday before each week your child(ren) plan's on attending Day Camp. Online registration will close on Friday night by 930pm. Late registration will have to be done in person at the Service Desk and will result in a \$15 late fee per child or potentially not being able to get a spot into the program.

Drop Off

- Drop off will take place as a drive up and drop off service at the Davis Outdoor Recreation Area (D.O.R.A.) following along with traffic signs, and no parking. If weather is severe, drop off will be done at the front East Entry, closest to the YLC.
- Parents/Guardians will not be able to leave their vehicles upon drop off and pick up. No exceptions. Staff will walk up to the vehicles and help with drop off process.
- Temperatures will be taken upon arrival to the program inside the vehicle. If the temperature exceeds 100.00 the child will not be allowed to attend Day Camp. This will also include siblings or other campers attending with the child in the vehicle. Any child/parent refusing temperature taking will not be permitted at Day Camp.
- Mandatory handwashing/hand sanitizing will be conducted at drop off, and in between rotations throughout the day. If your child is allergic to certain types of soaps and hand sanitizers, you will have to dictate so on their health and information paperwork. You will be responsible for providing an

alternative solution to this if necessary (just as you would if they could only use certain types of sunscreen.

- Campers should limit the amount of personal items they are bringing with them to Day Camp. Please make sure your child is only packing the essentials: Lunch, Water, athletic attire, and sunscreen.

During the Day

- Day Camp workers and campers will follow rigorous handwashing procedures:
 1. Upon the arrival for the day, after breaks, and upon returning from outside.
 2. After toileting.
 3. After contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluid.
 4. After cleaning or sanitizing or using chemical products.
 5. Before eating, serving or preparing food or bottles of water.
 6. Prior to departure.
- Any child or employee will be immediately sent home if their temperature exceeds 100.00 degrees and may not return until they are fever free for over 24 hours.
- If an employee or camper comes in contact with anyone that is probable to have or has COVID 19 we require you to disclose that information to us so we can take the necessary precautions to help prevent the spread. We require all those who come in contact to exhibit isolation or quarantine procedures in coordination with the local health department prior to returning to Day Camp.
- Only employees qualified and trained to be around the campers will be allowed to be with the campers. This will help maintain temperature, and sanitation protocols, and prevent over exposure to other people.
- Program areas will be marked off so other participants will not be allowed to enter the vicinity in which the campers will be in. (ex. Playground equipment will be closed off to other members until Day Camp has ended for the day.)

At Pick-Up

- Children will wash hands or use hand sanitizer before exiting Day Camp.
- Any belongings that are left behind will not be returned until we have time to wash and sanitize said belongings.

Physical Environment

- We will be using temporary walls to divide a room or space to serve multiple groups. These temporary walls will be:
 1. At least six feet in height
 2. Made from non-porous material or material that can be sanitized
 3. Will meet requirements set by the Department of Commerce, local building department, state fire marshal, or local fire safety inspector.

Confirmed Cases

- We will immediately notify the Department of Jobs and Family Services in writing if a child or employee test positive for COVID-19.
- Immediately isolate and seek medical care for any individual who develops symptoms while at the day camp facility.
- Shutdown area for deep sanitation, if possible, working alongside the local health department.

I _____ have read the following statements and procedures that the YMCA of Youngstown Summer Day Camp Program will be enforcing this summer. I promise to follow along and uphold all requirements and regulations. I also promise to go over these rules with my campers prior to their start of Day Camp so they are aware of what will be going on as well.
