Please read the following descriptions of teams carefully.

***for Community Cup 2020 season only!**

All teams/companies "A" Team will be considered full teams and will compete for the Community Cup.

For all teams/companies the cost is \$100.00 per event with NO \$50.00 registration fee. A cap of \$600 is set for the 2020 Community Cup. Once you pay for 6 events you will not have to pay any more for the 7th event and so on. These are for the "A" teams only.

A Single Event may be entered at an additional fee, this would be your "B" team, "C" team, etc. This is if there is an over abundance of team members in an event. For example, if you have 20 walkers, and since your "A" Team only allows you to enter one walk team, you may enter a second walk team at \$100.00 per team. There is no price cap for the single events. Note that due to COVID-19 and some social distancing regulations not all events will be able to have a "B" team.

Please list the events your team would like to participate in below. ("A" Team) Note there are only 13 Events in this 2020 Community Cup.
